In order to charter right direction for its continuous focus around promoting digital platform businesses and to grow to next frontier, the Company is launching a social commerce marketplace 'Yaari', which will enable small businesses and individuals ("resellers") to start their business online via social channels such as WhatsApp, Facebook, Instagram etc. It is an online reselling app which will empower individuals to start their own online business from home with zero investment. Yaari app will have a variety of products to choose from, that the resellers can resell among their social contacts.
